VOLUME XXVII

CONEMAUGH TOWNSHIP HIGH SCHOOL  
DAVIDSVILLE, PENNSYLVANIA

## DEDICATION

We, the class of 1965, dedicate this twenty-seventh edition of the *Connumach* to the community.

More important than our heredity is our environment, for we are the products of it. The things we see, the places we go, and the people we meet make us the people we are.

Our homes, our churches, our schools, along with the geographical location of these, help us to distinguish good from evil, the beautiful from the ugly, and the important from the trivial.

Our earliest influence came from our home and family. We shall always remember our grade school days — our schools, our teachers. High school gave us fond remembrances of faculty members; of facts they taught us. Our churches also have continued to mold our character. We look to these with pride.

The natural beauty of our surroundings — the forests, the hills, and the streams — make us proud of our community in Pennsylvania.

For the privilege of being part of such an environment, it is with a deep sense of appreciation that we dedicate this book to our community.

DR. TELFORD B. BLOUGH

## MR. DONALD W. DRENNER

University of Pittsburgh, B.S., M.Ed.; Graduate work at Susquehanna University, Howard University, Juniata College, Oak Ridge Institute of Nuclear Study, University of California; High School Principal.

### To the Seniors:

With this year at C.T.H.S. you are climaxing one of the important phases of your life. At the same time, as your principal, I am initiating a new phase in my life. May we in later years reflect with great satisfaction.

As graduating members of the Class of 1965 you are entering a world that will offer opportunities unlimited. The degree to which you grasp at these opportunities will be tempered by the intensity of your desires.

And may the methods you use in grasping at opportunity be based on the good moral and ethical foundation that you were taught at C.T.H.S.

With these factors in mind I wish you the blessings of the Almighty as you move through life.

Donald W. Drenner  
High School Principal

## DR. TELFORD B. BLOUGH

Juniata College, A.B.; Teachers College, Columbia University, M.A.; University of Pittsburgh, Ed.D.; Graduate work at University of Pennsylvania, Pennsylvania State University, Ohio State University, Columbia School of Journalism, American Peoples College in Europe; Supervising Principal

### Class of 1965:

You have completed the first step toward a successful life. You are a high school graduate. In 1965, or any other year, a high school diploma will not pave your way to a life of ease and wealth. But a high school diploma is the key now necessary to open almost any door which will give you an opportunity to prove yourself.

Conemaugh Township schools are growing, not only in numbers but in the determination of school officials, teachers and the entire student body to build a better educational program for the young men and women of this community. Believe me, this area has a future. Pessimism is finally giving way to renewed faith and hope. We invite you to participate in this new effort.

We are glad you are a C.T.H.S. graduate. Face the future with confidence and determination. We wish you well always.

Telford B. Blough  
Supervising Principal

## SPECIAL SERVICES

GUIDANCE—Mrs. Wonder counsels Kerry Trachok

Guidance is valuable for all students. Since no one can remain in school all his life, we need some idea in what areas we excel in order to plan for our future vocations. It is the job of this department to aid us in our decisions. The services of two counselors usually are available; this year, one of them, Mr. Landis P. Beckley, is on leave of absence.

The Home-School Visitor keeps the attendance records of the High School and serves as a link between the school and the pupils' homes.

The School Nurse gives all health examinations and cares for anyone who becomes ill while in school.

SCHOOL NURSE—Miss Nancy Haas, R.N., gives Ann Cates minor first-aid

HOME SCHOOL VISITOR—Dr. Kenneth R. Thomas, University of Pittsburgh, B.S., M.Ed., and D.Ed.

I attended the annual Junior-Senior Prom with \_\_\_\_\_  
 on the evening of \_\_\_\_\_.  
 was the theme with beautiful music by \_\_\_\_\_.  
 After the dance we went to \_\_\_\_\_ and  
 arrived home at \_\_\_\_\_ o'clock. I had a \_\_\_\_\_ time.

Mr. O'Connor and Mrs. Good, our class deans, helped us a great deal in preparing for the prom.

The refreshment table is very good. Here it is visited by Jim Hogg, Judi Lubas, Dennis Stuver and Sharon Murray.

The faculty and the parents of the officers seem to be having a good time also.

Between dances couples engage in conversation. Both Juniors and Seniors are well represented at our prom.
